DIGITAL TO PARTICIPATE IN AFCEA EAST '85

On behalf of Digital Equipment Corporation/Government Systems Group (GSG), I wish to invite you to visit the Digital Exhibit (Booth 1870) at the Armed Forces Communications and Electronics Association (AFCEA) 39th International Convention and Exposition on June 4-6, 1985, at the Washington Convention Center, Washington, D. C.

Our theme "DIGITAL DOING MORE" is exemplified by the variety of Digital hardware and software that will be demonstrated in our booth. Our products enhance the C3I environment and we look forward to the opportunity to have you view them at the show.

Digital will demonstrate a VAX Cluster, Broadband and Baseband Ethernet capabilities, TCP/IP, MicroVAX II, VAX Station 500, and Tempest hardware.

Comprehensive software including Artificial Intelligence, ULTRIX and ADA will run continuously throughout the show.

Please present this invitation at the AFCEA registration desk, and you will be admitted without charge to the exposition.

Sincerely,

Frank Posey
Manager, Government Systems Group
